

Summer at Sea Application

Course Dates: August 11 - 22, 2017

Thanks for your Interest in the Community Boat Project's Summer at Sea program!

Before we begin please be aware that this course is highly interactive, both physically with the boat and environment, and socially with the other students. Also the activities of this course, particularly the overnight nature of the Voyage, require a certain amount of physical ability; to be able to get in and out of the boat, move about the boat safely and to row, sail and camp.

Make sure you are prepared for these conditions before you continue.

Here are the steps to apply:

Part 1

1. Answer the following questions in written form:

Why do you want to do the Summer at Sea program?

What do you hope to get out of this experience?

How did you hear about this program?

Which program have you participated in aboard the Schooner Adventuress?

2. Please provide the following information:
